Official Market Data

Source: Open / Government Statistics

According to official market data for Q3 2025, the median price for family homes reached **€3,567 per m²**.

Property values have increased **17.6% compared to Q3 2024** and **4.8% compared to the previous quarter**, confirming continued price growth in the market.

During this period, **7,522 housing transactions** were recorded. While transaction volume decreased slightly (**-1.1% year-over-year** and **-5.4% quarter-over-quarter**), overall activity remains stable.

In summary, official statistics show a market where prices continue to rise, even though the number of transactions has softened slightly in the short term.

Asking vs. Final Sale Prices

Source: Unlockit proprietary transaction insights

In addition to official statistics, we analyzed the **last 10 comparable transactions** using Unlockit's proprietary data and on-the-ground insights.

- **Average asking price:** €646,000
Range: €560,000 – €720,000
- **Average final registered price:** €622,200
Range: €542,000 – €690,000

On average, properties sold for approximately **€23,800 below the asking price**, representing a typical negotiation margin of around **3–4%**.

These insights provide a more practical view of real transaction behavior, helping define a well-informed pricing and negotiation strategy.
